MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. OVERVIEW

The Indian economy has witnessed good steady recovery and continued to grow in the last fiscal year. Good monsoon in most part of the country and revival in manufacturing activity added to the optimism. This GDP growth has placed India firmly amongst the fastest growing economies of the world in the current year. There has been no occurrence of any event or circumstance since the date of the last financial statements that may materially and adversely affect or is likely to affect the trading or profitability of our Company or the value of our assets or our ability to pay our liabilities.

B. INDUSTRY STRUCTURE AND DEVELOPMENT

The Company is mainly engaged in chemical business but due to shortage of funds company is not able to continue this business. Company is looking and enquiring about entering into share broking business and enquiring to get TCM membership of MCX, NCDEX.

C. RISKS & CONCERS:

The business of the company totally depends upon the changes taking place in the economy either it be relating to fluctuations in stock and capital market, regulations governing such markets, government policies, taxation policies, changes taking place in global economics, etc. The growth of industry provides necessary opportunities for the company to grow. However, the company is under constant pressure due to steep competition from unorganized sector and industrial scenario in the nearby areas.

The company's strength is built around domestic and international marketing network. The company has a network of 3 marketing offices in India as well as over 30 corporate customers and over 3 channel partners as a part of its domestic network which is comprised from various segments, allowing the company to de-risk its business.

C. OPPORTUNITY AND THREATS

The Company's strength is its director experience in marketing and commodity trading and company is enquiring for membership of NSE, MCX, and NCDEX for the brokerage business. The Company does face threats from financial arrangement and new emerging players in these product lines.

D. SEGMENT-WISE PERFORMANCE

The operation of the company consists of the single segment. Hence, Indian accounting standard on Segment Reporting (IND AS-34) issued by institute of Chartered Accountants of India does not apply.

Factors that may affect our results of the operations:

Our financial conditions and results of operations are affected by numerous factors which inter alia include as follows:

- Growth of unorganized sector and threat from local regional players;
- Change in freight and forwarding charges;
- General economic and business conditions;
- Changes in political and social conditions in India;
- Prices of raw materials the company consume and the products it manufactures;
- Our company's ability to successfully implement our growth strategy;
- Changes in laws and regulations relating to the industry in which we operate;
- Any adverse outcome in the legal proceeding in which our Company is involved; and
- Sudden change in global Commodity prices which may affect our outstanding position in commodities.
- The loss or shutdown of operations of our company at any time due to strike or labour unrest or any other reasons;

E.CAUTIONARY STATEMENT

Statements in this "Management Discussion and Analysis" describing the Company's objectives expectations or predictions are forward looking within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied in the statements on various factors and circumstances.

F. OUTLOOK

We are committed to deliver set up new strong network on a consistent basis, our strategy has been to develop strong customer relationship and to be a customer driven Company. The Indian economy has shown substantial growth in the year 2006-07 and this will have a positive impact in all the sectors. Commodities prices have maintained their high volatility, marking it difficult to take long term view on prices,

SECRETARIAL AUDIT REPORT**Form No. MR-3**

For the financial year ended on 31st March, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

SHABA CHEMICALS LTD.,

101, RAJANI BHAWAN, 569/2, M.G.ROAD, INDORE(MP)-452001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHABA CHEMICALS LTD.**(hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on **31 March, 2018** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under and Companies Act, 1956 and Rules made there under to the extent applicable, except following –
- ***Evoting facility u/s 108 read with Rule 20 of the Co. (MNGT. & ADMN.) Rules, 2015 not provided to the shareholders by the company during the audit period. In this regard, Management is of the opinion that since entire share holding of the company is in physical form and no Share transfer agent has been appointed nor NSDL and CDSL connectivity taken by the company hence Evoting facility is not possible hence the company has not provided the same and as per my opinion the Management's opinion is justified.***
 -
 - ***Due to paucity of funds with company, the company has not published required periodical reports in News Papers. However, the Bombay Stock Exchange Ltd. Has been intimated in proper time period.***
 - ***The company's networth is eroded and thus the company is sick company presently but presently SICA and BIFR have been repealed.***
 - ***Due to paucity of funds with company, whole time company secretary u/s 203 of the Act has not been appointed.***

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-Laws framed there under;

Entire shareholding is in physical form and being handled by inhouse share department of the company hence not applicable to the company during the audit period.

(iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under. ***(not applicable to the company during the audit period)***

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; ***(not applicable to the company during the audit period)***;
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; ***(not applicable to the company during the audit period)***;
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; ***(not applicable to the company during the audit period)***;
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

NO RTA HAS BEEN APPOINTED BY THE COMPANY.

- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; ***(not applicable to the company during the audit period)***;
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 ***(not applicable to the company during the audit period)***;

(vi) We have relied on the representations made by the Company and its officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company. At present **the company is not doing any business activity hence no specific Acts are applicable to the company.**

I have also examined compliance with the applicable Clauses of the following:

- (i) The compliance of Secretarial Standards under Section 118 of the Companies Act, 2013 applicable during the period covered under the Audit.
- (ii) The Listing Agreements entered into by the Company with Stock Exchanges and SEBI(LODR) Regulation, 2015 except ;
The company has not complied with certain clauses of SEBI (LODR) 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above and subject to my comment wherever it was required.

I further report that :

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that :

There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable Laws, Rules, Regulations and guidelines.

I further report that :

During the audit period, there were no instances of:

- (i) Public/Rights/Preferential issue of Shares/debentures/ sweat equity.
- (ii) Redemption/buy-back of securities.
- (iii) Merger/ amalgamation/ reconstruction etc.
- (iii) Foreign technical collaborations.

ANNEXURE to Secretarial Audit Report

To,
The Members,
SHABA CHEMICALS LTD.,
101, RAJANI BHAWAN, 569/2, M.G.ROAD, INDORE(MP)-452001

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained the Management representations about the compliance of Laws, Rules and Regulations and happening of events etc.
5. The compliance of the provisions of corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

**TO THE MEMBERS OF
SHABA CHEMICALS LIMITED
INDORE**

Report on the Financial Statements

We have audited the accompanying Ind AS financial statements of **SHABA CHEMICALS LIMITED** (the Company), which comprise the Financial Statement Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, the Statement of Cash Flow and Statement of change in equity for the year ended on that date, and a summary of the significant accounting policies and other explanatory information. (Hereinafter refer as IND AS Financial Statement)

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standard ("Ind AS") as The Indian Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2018, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (a) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (b) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2017 from being appointed as auditor in terms of Section 164(2) of the Act.
- (c) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 23(A) (i) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- I. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- I. In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets. There is no any fixed asset in the company.
 - (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, the management is in the process of carrying out the physical verification and reconciling the same with the book records. Material discrepancies, if any, between the book records and the physical verification would be dealt with on completion of such reconciliation.
- II. In respect of its inventories: No any inventories and operation in the Company. Hence not applicable.
- III. The Company has not granted loans, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013.
- IV. In our opinion and according to the information and explanations given to us, having regard to the explanations that some of the items purchased are of special nature and suitable alternative sources are not readily available for obtaining comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- V. According to the information and explanations given to us, the Company has not accepted any deposit during the year. In respect of unclaimed deposits, the Company has complied with the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013.
- VI. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended and prescribed by the Central Government under sub-section (1) of the Section 148 of the Companies Act, 2013 and are of the opinion that, *prima facie*, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- VII. According to the information and explanations given to us in respect of statutory dues:
 - (a) The Company has been generally regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, value added tax, cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues in arrears as at March 31, 2018 for a period of more than six months from the date they became payable.
 - (c) There are no amounts pending to be transferred to Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made there under.
- VIII. In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to financial institutions and banks. The Company has not issued any debentures.
- IX. No money raised by way of initial public offer or further public offer and term loans have been taken by the Company during the year. According to the information and explanations given to us, the Company has not given guarantees for loans taken by others from banks and financial institutions.
- X. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- XI. No managerial remuneration has been paid or provided to any of the directors or managers, hence there has been no contravention of the provisions of Section 197 read with schedule 5 to the Companies Act, 2013.

- XII. This Company is not a NIDHI Company.
- XIII. There were no related party transactions reported and observed during the year, hence all transaction with the related party is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the financial statement as required by the applicable Indian accounting standard.
- XIV. The company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- XV. The company has not entered into any non-cash transaction with the director or person concerned therefore the provision of Section 192 of Companies Act, 2013 has not been contravened.
- XVI. The company is not required to be registered under Section 45 IA of Reserve Bank of India Act, 1934.

A Corporate Information

Accompanying notes to the Financial Statements for the year ended March 31, 2018

Note 1.1 Significant Accounting Policies

A Corporate Information

Shaba Chemicals Ltd. is a Listed Public Company registered in India, under Companies Act 1956, and was incorporated in 1986. The Company is mainly engaged in the business of pharmaceutical chemicals. The registered office of the Company is located at Indore (M.P.) and a Corporate office is situated in Indore (Madhya Pradesh).

B Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements for all periods upto and including year ended March 31, 2017 were prepared in accordance with the Companies (Accounting Standards) Rules, 2006 notified under Section 133 of the Companies Act ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) ("previous GAAP"). The financial statements for the year ended March 31, 2018 are the first financial statements prepared by the Company in accordance with Ind AS. Refer note 2 for information on how the Company adopted Ind AS.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities. The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest millions (INR 000,000), except when otherwise indicated.

C Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which

changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

D Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at April 1, 2016 of its Property, Plant and Equipment and use that carrying value as the deemed cost.

E Depreciation/ Amortisation

Depreciation/ Amortisation is provided as stated below:-

- i) Depreciation on all Fixed Assets is provided on 'Straight Line Method' at the rates and in the manner prescribed in the Schedule II of the Companies Act, 2013. Depreciations on additions & deletions made during the year is provided on pro-rata basis from & upto the date of acquisitions and deletions of assets respectively.
- ii) Leasehold improvement are written off over the non cancellable period of lease .
- iii) Intangible assets are amortised over a period of four years.

F Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

G Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

H Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

I Revenue Recognition

- a** Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e., whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. Revenue is recognised, net of trade discounts, sales tax, service tax, VAT or other taxes, as applicable
- c** Revenue in respect of operation and maintenance contracts is recognised on the basis of time proportion.
- d** Revenue from domestic sales of goods is recognized when the significant risks and the rewards of ownership of the goods are passed on to the buyer (i.e. on dispatch of goods) except revenue from contracts in relation to government tenders which is recognised once the goods are supplied to the subcontractor at the site for installation. Revenue from the sale of goods is measured at the fair value of consideration received or receivable, net of returns and allowances and discounts.
- e** For all financial assets measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is recognized on a time proportion basis taking into account the amount outstanding. Interest income is included under the head "other income" in the Statement of Profit and Loss.
- f** Dividend income is recognised when right to receive the payment is established.
- g** Claims for insurance are accounted on receipts/ on acceptance of claim by insurer.

J Taxes on Income

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961 and is made annually based on the

tax liability after taking credit for tax allowances and exemptions. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current Tax items are recognised in correlation to the underlying transaction either in Statement of Profit And Loss, other comprehensive income or directly in equity

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

K Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

L Inventories

Inventories of Finished Goods, Raw-Material, Work in Process are valued at cost or net realizable value, whichever is lower. Stores & Spares and Packing Materials are valued at cost. Cost comprises of all cost of purchases and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on weighted average basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

M Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

T Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

N Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

O Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

P Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

Note 2. Disclosures as required by Indian Accounting standard (Ind AS) 101 First time adoption of Indian accounting standard

These are the Company's first financial statements prepared in accordance with Ind AS. The Company has adopted all the Ind AS and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards. The transition was carried out from Generally Accepted Accounting Principles in India (Indian GAAP) as prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, which was the "Previous GAAP".

The Significant Accounting Policies set out in Note No. 1 have been applied in preparing the financial statements for the year ended March 31, 2018, March 31, 2017 and the opening Ind AS Balance sheet on the date of transition i.e. April 1, 2016.

In preparing its Ind AS Balance sheet as at April 1, 2016 and in presenting the comparative information for the year ended March 31, 2017, the Company has adjusted amounts previously reported in the financial statements prepared in accordance Previous GAAP. This note explains the principal adjustments made by the Company in restating its financial statements prepared in accordance with Previous GAAP, and how the transition from Previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows.

I) Explanation of transition to Ind AS

Set out below are the Ind AS 101 optional exemptions availed as applicable and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A. Optional Exemptions availed

Ind AS 101 allows first time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the following exemptions:

i) Deemed cost for property, plant and equipment

Ind AS 101 permits a first time adopter to elect to fair value of its property, plant and equipment as recognised in financial statements as at the date of transition to Ind AS, measured as per previous GAAP and use that as its deemed cost as at the date of transition or apply principles of Ind AS retrospectively. Ind AS 101 also permits the first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS.

The Company has elected to continue with the carrying value for all its property, plant and equipment and intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the Indian GAAP and use that as its deemed cost as at the date of transition to Ind-AS.

ii) Investment in Subsidiaries and Associates :-

The Company has elected to use the exemption to measure all investments in subsidiaries and associates as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition (i.e. April 1, 2016).

B. Applicable Mandatory Exceptions

i) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies).

Ind AS estimates as at April 1, 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP.

ii) Classification and measurement of financial assets :-

Ind AS 101 requires an entity to assess classification of financial assets on the basis of facts and circumstances existing as on the date of transition. Further, the standard permits measurement of financial assets accounted at amortised cost based on facts and circumstances existing at the date of transition if retrospective application is impracticable.

Accordingly, the Company has applied the above requirement prospectively.

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101:-

C. Transition to IND AS-Reconciliations

I) A. Reconciliation of Balance sheet as at April 1, 2016 (Transition Date)

B. Reconciliation of Balance sheet as at March 31, 2017

II) Reconciliation of Total Comprehensive Income for the year ended March 31, 2017

III) Reconciliation of Equity as on March 31, 2017 & April 1, 2016

IV) On account of transition to Ind AS, there is no material adjustment to the Statement of Cash Flows for the year ended March 31, 2016.

V) Notes to Reconciliation

The presentation requirements under Previous GAAP differs from Ind AS, and hence, Previous GAAP information has been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statements of the Company prepared in accordance with Previous GAAP.
